About us

We are the first point of contact for exporters and investors, offering support both in Poland and on dozens of markets around the world. We are part of the Polish Development Fund Group (PFR).

Our mission is to support entrepreneurs and businesses at home and abroad.

We operate through our network of Foreign and Regional Trade Offices (ZBH and RBH), which support companies at every stage of their expansion. We offer a free consulting service, which makes us a unique partner for Polish entrepreneurs looking for new markets and for foreign contractors and investors interested in investing in Poland.

We attract leading foreign investors

20+ years of experience

70+ markets

200+ experts

Planning to invest in Poland?

We offer comprehensive, free support in the implementation of Polish and foreign investments.

Our experienced team of experts who have a practical attitude and excellent business acumen will ensure your investment process is as smooth as possible, together with the assistance of a dedicated Project Manager.

Are you interested in establishing cooperation with a Polish exporter?

We have a presence in most markets. Supporting Polish entrepreneurs at every stage of their project, we are constantly on the lookout for potential foreign contractors.

PAIH's Foreign Trade Offices

Our network of Foreign Trade Offices supports foreign companies that want to establish cooperation with Polish exporters. We initiate the first talks, organise B2B meetings and business missions.

Our goal is to effectively connect foreign companies with possible Polish partners, supporting both parties in the process of negotiations and establishing long term business relations.
